Vendor Rules & Information

Set-up and Break-Down Times

Set up time starts at 7am. No vehicles are allowed to enter after 9am so please arrive on time! You may start to break-down after 2pm and must be off the grounds by 4pm.

Reserving a Spot

Spaces fill up quickly so it is recommended you reserve your spot as early as possible. You may either register here online or you may mail a money order with a copy of your completed registration form to the address shown on the bottom of this form. You may select a booth space by its number on the event map layout below. The map will update every 24 hours so you will be able to see which spaces are available. Although a particular spot cannot be guaranteed, we ask that you select a 1st, 2nd, and 3rd choice spot. If you do not reserve a spot you may come day of the event and see if any spaces are still available. You can reserve a spot for one day or both days. Prices reflect discounted rates for multiple dates and additional spaces if desired.

Garbage Removal

You must take with you any unsold merchandise and all garbage must be put in the dumpster, trash can, or take it with you. No exceptions!

Additional Information

Vendors must supply their own tables, chairs, canopies, etc. Items for sale must be displayed within the space. Do not display items on the outside of your space. Vendors other than a licensed food truck may NOT display or sell food, baked good or beverages for consumption. Weapons or illegal items, illegally trademarked items or counterfeit items are strictly prohibited. Hoarders Heaven Inc, AKA Hoarders Flea Market, disclaims all liability for a vendor's failure to obtain any required permits/licenses. Any vendor breaking these rules will be asked to leave and will be barred from future events. If you are selling for both dates you may leave your space set up overnight at your discretion. Although we will have security overnight, we are not responsible for any theft, damage, or other loss. It is recommended that you secure/cover your area/tables.
